Regarding Information Technology Services (ITS) Sole Source Certification Number 4368 to provide ADAMS software support renewal for the Mississippi Forensics Laboratory (MSFL), please be advised that no objections were received and pending successful contract negotiations, the award will be made to Foray Technologies through May 27, 2024, in an amount not to exceed \$17,770.00.

Please be advised that ITS will determine if additional support is within scope during the certification period and may increase the spending authority accordingly. Should Foray Technologies change their name during this certification period, then ITS will determine if a recertification is necessary.
